Bethel Boosts School Appropriation \$5800 At Special Meeting

At a special town meeting attended by some 200 citizens Wednesday evening at Odeon Hall, it was voted to appropriate an additional \$5800 for the school maintenance account. This will bring the school appropriation this year to the amount recommended by the budget and school committees at the annual meeting.

Superintendent Eric Sahlborg presented the itemized list supporting the requested amount and the motion was carried by a substantial majority. Included in the budget are: substitute pay, \$1,000; hand-writing instruction, \$600; professional credit subsidy, \$400; new teachers (9-'61) \$2,750; driver education, \$100; special reading teacher, \$1,810; home instruction, \$420; severance pay, \$970; teacher replacements, \$300; additional salary fund, \$1,850.

From the following schedule you will note that more and more of the sessions are planned for people in education. College youth leaders and college faculty leaders make up the first group with the students housed on the Gould campus and the faculty members housed at the Conference House. The third session includes classroom teachers and school executives in separate conferences running concurrently. In addition there will be the regular sessions on Human Relations Training and also the group of community leaders working on their specific problems.

Many staff members of previous years will return joined by several who have worked with NTL previously but not in Bethel. Another group of about ten internes will be brought here with their families to spend the summer. These social science people will go through the first lab and then assume training roles in the following sessions.

Early correspondence seems to indicate that more and more of the staff and delegates will be bringing families and will need accommodations. We have a fairly extensive listing of places at the present time but probably will need more Lake-side camps with some modern conveniences, especially inside plumbing, are already in short supply. Needless to say it will again be difficult to complete all the special housing arrangements but at the same time it means a lot to the Bethel economy to have two or three hundred extra people in town during June and July.

NTL Conferences To Be Here 15th Year

For the fifteenth consecutive summer the National Training Laboratories will hold most of their summer conferences here in Bethel. This organization holds group meetings throughout the year, both in the United States as well as in several foreign countries. They find the attractive facilities of Gould and the relaxed and beautiful surroundings of Bethel very much to their liking. In fact, Bethel is probably the best known small town in the world to people interested in the social sciences.

From the following schedule you will note that more and more of the sessions are planned for people in education. College youth leaders and college faculty leaders make up the first group with the students housed on the Gould campus and the faculty members housed at the Conference House. The third session includes classroom teachers and school executives in separate conferences running concurrently. FRED J. BENNETT

Fred John Bennett, who died at the Stewartstown Hospital March 16, at the age of 81 after a long illness, was the only child of Elias and Lucy Durkee Bennett of Wilson's Mills and was born in Bethel Feb. 14, 1880.

He resided at Wilson's Mills until after the death of his mother when he was 14. Since then he lived in Magalloway most of the time. He was a lineman for the Brown Company for almost 50 years.

His wife, Mrs. Sarah Jane Bennett, died Sept. 29, 1955, and their only son, Fred Jr., was killed in the invasion of Normandy.

He is survived by a step-daughter, Mrs. Ruth Fogg of Colebrook, and her brother, Tracy Blakeley of Connecticut; also Mrs. Fogg's two daughters, Mrs. George Stranger and Mrs. Terry Hughes, both of Berlin, and her five sons, two of whom were present at the funeral, Everett Turner of Alfred, Maine, and Francis Turner of Rochester, N. H.; by Tracy's three children and six great grandchildren; four cousins, Mrs. Lora Flint McCoy of St. Paul, Minn., Mrs. Edith Jordan, Mrs. Ida Edmunds, and Hazen Wilson, all of Tilton, N. H.

The funeral was held at the Magalloway Church Sunday, March 19, with Mrs. Beatrice Littlehale officiating and organ music by Mrs. Florence Adams, and with services by the Masonic lodge with members from Errol, Colebrook and Bethel lodges. The bearers were Cleveland West of Errol, James Barnett of Errol, Dean Howard and Fay Vaughn of Colebrook. The honorary bearers were Werner Littlehale of Wilson's Mills and Charles Travers of Wentworth Location. Entombment was in Errol. The floral tributes were many and beautiful.

Fred was one of the kindest of neighbors and a faithful friend. One of his greatest pleasures was raising a vegetable garden, then all the summer and fall carrying and giving to his neighbors.

Mrs. Harriette Stranger, his granddaughter, lived with Fred and his wife from a small child and through her school years. She has spent most of her week ends with him.

The Wilson's Mills school of 14 children with their teachers, Mrs. Gwen Littlehale and Mrs. Dorothy Campbell, Mr. and Mrs. Lauren Bennett, with their small daughter, Mr. and Mrs. Clifton Littlehale and son, and Mr. and Mrs. Norman Littlehale, with daughter, all went to Auburn, Friday, to watch maple sugar and syrup being made. The party rode by train to the place where the maple products are made, ate lunch in a restaurant and had a very enjoyable time. Greydon Campbell also went as driver of one of the cars.

Alfred Hart is quite ill at his home with a leg and arm infection. None of the local physicians seem to help him so he

plans to go to a skin specialist. Church services were held at Wilson's Mills Sunday morning with a very large attendance.

A Grange meeting was held at Wilson's Mills Friday evening and a lunch was served afterward.

Mrs. Bertha West and Mrs. Addie Lancaster went to Colebrook, Tuesday.

Percy Hart of Errol who was seriously injured in the lumber woods some time ago and was in the St. Louis Hospital in Berlin is home now but not too well.

Mrs. Helen Cameron, her mother, Mrs. Madeline Mathieson and John Vaughn, all of Big Buck Camps, are ill with the "flu."

Two games of basketball were played at Errol Friday evening. First the men's team won over the boys' team then the women's team beat the men. The women's team, named "The Old Hens," were dressed in grass skirts and leis. Mrs. Dorothy Campbell was cheer leader.

A special town meeting will be held at Wilson's Mills Wednesday evening to appoint an Assessor. Russell Bennett, who was voted in on Town Meeting day did not want the office.

Mr. and Mrs. David Mooney with their three sons, of Bangor, spent the week end with his father, Joseph Mooney.

Miss Dorothy Rideout of Rumford visited at Leon Bennett's over the week end.

Mr. and Mrs. Arthur Brown and daughter, Roxanne, moved Saturday and Sunday from the Linnell place in Magalloway to a rent owned by Joseph Berube in Wentworth Location.

Mr. and Mrs. Claude C. Linnell, Jr., celebrated their 20th wedding anniversary Sunday, March 26th.

Mrs. Phyllis Parsons and Mrs. Effie Kenney were in Berlin shopping, Friday.

A whist party and sale was held at the Wilson's Mills hall Saturday evening, also a St. Patrick's day program. Ronnie Griffin was home from Rangeley for the week

Whereas once again the Great Master has entered our order and called our brother Henry Boyer to the Great Home above.

Be it Resolved, that Bear River Grange has lost a worthy brother. Let us remember in God's House are ones we love, who have a vacant place in our hearts. His wisdom to carry one will always be remembered. We should all take a lesson from him.

Resolved that these resolutions be placed upon our records that appear in the family of our departed brother and the Oxford County Citizen for publication.
